

The Cal Club Region of SCCA and Santa Monica Sports Car Club present:

**Highway Robbery, an SCCA National Course Rally
and
Future Shock, an SCCA Divisional GTA Rally
October 22-23, 2016**

RALLY PHILOSOPHIES

Highway Robbery, on Saturday, October 22, 2016, is a course rally that will test your ability to stay on course and on time. There will be no Aristotle or absence of the sign traps, and there will be a fixed main road. In fact, you can run Highway Robbery using the SMSCC General Instructions with a short addenda instead of the RRRs if you want to. These are the same generals that we used last year. The rallymaster expects most contestants to do most legs correctly.

Future Shock, on Sunday, October 23, 2016, is a trap-gimmick rally on which you do not have to stay on time, so you have time to re-read the rules, and to go back to recheck a sign or an intersection, and to actually THINK about what you're doing.
