SMSCC (Santa Monica Sport Car Club – www.smscc.org) is a non-profit California corporation whose purposes, as stated in our bylaws, are to bring together people who are interested in automobiles, especially sports cars, and to sponsor competitive, safe, navigational (Time/Speed/Distance) road rallies.

A regular member must pay \$15.00 dues for one year of membership. A regular member may appoint one auxiliary member for no additional dues; the club makes no other distinction between regular and auxiliary members.

We meet monthly on the 1st Wednesday following the 1st Friday. We have annual parties. We also have numerous road rallies, road rally check-outs, and other activities.

We are the oldest road rally club in the area, having begun as the Santa Monica Chapter of the now-defunct Four Cylinder Club of America in September, 1952. We incorporated under our present name in June, 1960. We are affiliated with the [Cal Club](#) region of [SCCA](#) (Sports Car Club of America).

Submit check and completed application to the SMSCC [Membership Chairman](#) or any SMSCC officer.
